On March 28th, Cornerstone MX Park will host "A Day to Play in the Dirt". All pairings from Big Brothers Big Sisters of Greater Houston will be the guests of Cornerstone and will receive VIP treatment from local off-road riders and their families.

As part of the event, each little brother and little sister will participate in many fun activities including:

- Personal one-on-one riding lessons on special mini off-road motorcycles and 4-wheelers
- Chance to ride the mini off-road motorcycles and 4-wheelers around a specially prepared motocross track
- Trackside lunch and refreshments
- Touring the state-of-the-art Honda of Houston Racing motocross 18-wheeler race rig

Throughout the day, BBBS guests will watch Houston's local motocross professionals air it out on Cornerstone's main track and have their picture taken on racing bikes in motocross gear.

Come out to watch our special guests from Big Brothers Big Sisters of Greater Houston and local riders in action on one of Houston's premier motocross facilities.
